Pussies are hot, but sometimes readers get hard for teen outfits.

The Clothes Make the Girl

Dear Virgin Territory,

While you continue to produce a magazine of a high standard, for me the best issues are still the Back to School issue 2013 and I think January 2014 (the one with Chloe on the front cover seated). I have also seen one or two good ideas in the letters pages that have yet to come to fruition but hope that it's all in the pipeline. Anyway, here are a few pointers from me, and I'm sure that one or two may be repetition of something that I've written earlier.

Firstly, for me, personally, it is always the outfit that makes the shot. My fetish is and always has been seated up-skirt shots, whether it's a girl sitting opposite you on a train or in a café or whatever the location. Basically, I like to see knickers. I like to see mini skirts and long, white socks that are over the knee or black tights and white knickers. I love to casually glimpse white knickers under black or navy blue tights as the girl is sitting opposite me. For me there is nothing better.

Please do more school/college uniform shots. Please, can you do another front cover shot where the girl is seated? And can you please have a pony-tailed blonde girl who is wearing a tight white blouse, a black or blue mini skirt, black tights and heels sitting on steps with her legs slightly ajar, revealing white knickers under black tights. That would make my day.

Also on the subjects of uniforms, in a recent issue you suggested that one of the girls in a shoot was a trainee nurse. Have you considered shooting a trainee nurse in a nurse's uniform? Or a trainee beauty therapist? I think that it would be quite explosive to do a shoot on a beauty therapist. Just imagine a lovely, tanned, young blonde wearing a white coat dress type uniform, white stockings or flesh-colored tights with white high heels and of course, white knickers. Think of all the variations possible on this theme with trainee secretaries, etc.

Thank you for reading my letter, and I'm sure that plenty of other folks have all different ideas of what they want to see whether it be blonde, Asian, black, dressed, undressed, standing, seated, etc. But I hope that you can accommodate some of my ideas, which still involve blondes in crisp uniforms smiling hopefully, sitting opposite of me. On a slightly different note, I would also like to see some pictures of white men and black girls kissing, which I also find arousing. Thanks again.–J., Nottinghamshire, England

Dear J.,

Chloe of the March '14 issue is dressed as a nurse in her XXX pictorial. Perhaps she is who you were referring to in your letter. We have featured a few up-skirt photos in the past, but will continue to keep your idea in mind. And you can be assured that we will always have girls in schoolgirl uniforms.

XXX Dream Girls

Dear Virgin Territory,

Just a note to let you know how much I've enjoyed this past year of *18eighteen*. You're doing a great job! I liked looking at all of the girls. There was not a bad one in the bunch. Not that there ever has been. If young girls want me to see them naked in the magazine, I'm happy to look at

You'll get to see this hardcore set of Ava very soon.

This was the first cock Alexis ever took on-camera.

them no matter what color their hair, how big or small their boobs are or if there is or isn't hair on their pussies. All of them are beautiful. Although some of my most favorite are: Marissa (Feb. '14), Dakota (June '14), Linda and Tali (they're tall–Dec. '14) and, of course, Heather and Ava Sparxxx. I love them being lezzies together in Holiday '13, solo in March '14, and their hardcore from *After School Slut Club 3*, the best three-way that has ever been in the magazine. This only thing I miss is Ava's photos from *Creampie Cutie Pies 2*. She ended that with a creampie. A creampie! Can we please see that in the pages of the magazine? Please?

Speaking of XXX hardcore in the magazine, all of them have been top-notch this year. I heartily approve of the full-page cum shots at the end of the sets. While I like seeing a full page of cum dripping off of the girls' face, a full-page creampie (Abby from Holiday '14) is great. How about cum splattering on bellies, boobs and butts? Or cum squirting out of the cock?

The girls I'd most like to see in your XXX hardcore pages next year (since most of them have been in DVDs) are Kaci Lynn, Alex, Linda, Tali, Tiff Bannister, Lia Ezra and cute, little Jennifer. And please keep up the good work.–K.H., location withheld

Dear K.H.,

You'll see Ava's creampie in the magazine soon. Alex's hardcore layout ran last month in the March '14 issue. And you'll see most of the other girls soon.

Teen Sex Spectrum

Dear Virgin Territory,

Your Holiday '13 issue spanned the spectrum of teen sexuality from virginal hymen honey Tara to ass-fucked Abby to brace-face Natalie. That's why this is one of your best issues ever. So much wonderful variety. Even seeing Alexis in another hardcore pictorial was a wonderful surprise, as I thought she was long gone from the scene. I've always thought she was a cute, bubbly babe with a killer body. I love slutty brunettes like Tiffany and Kaci. Stacy looked so wide-eyed and adorable taking that older man's cock. Tinkle twat Charli is a fresh-faced cutie who doesn't need a drop of make-up. Markiza and Missie are both flat-chested babes with cute, delicate, doll-like faces. I was very pleased. Keep up the great work!–E.K., Portland, Orgeon

Dear E.K.,

Thanks for the compliments. You can always expect to see a variety of juicy teens in our mag. Here's a photo of Alexis for you to enjoy once more!

A Genuine Virgin Hymen

Dear Virgin Territory,

Over many years I thought I had experienced everything possible in the niche and narrow world of teenage cunnies! However, I was wrong, and it was with astonishment and huge delight that I had an amazing new experience with your cover girl Tara in the Holiday '14 issue and her genuine virgin anatomy. Many sweet young girls in your publication have claimed to be virgins, but their widely lady holes have made this most unlikely. What an amazing revelation to find a sweet, young honey open the petals of her

Behold! A real virgin pussy with hymen intact. Amazing!

labial flower to reveal an authentic virginal hymen! Most of us will have never seen this structure before, so what a kind and generous gift to share with the readers. It filled me with complete fascination. Please show the photos on pages 24 and 27 in case anyone missed it.

To witness a pure, innocent, young sweetheart whose most intimate lady place is proven to have never been penetrated or defiled is so sexy and erotic. Her badge of purity made me feel so horny. I would so love to be her very first man to violate her vestal vaginal canal. It would be a dream to give her a rampant fucking that leaves her writhing helplessly at

the mercy of my massive man monster and ultimately exhausted, bathed in sweat, but totally gratified and welcomed properly into the sexual world. What a fabulous fantasy. Tara, you really are such a genuinely sweet and pure young girl. Thank you so much for this rare, intense and astonishing experience.–J.L., via email

Dear J.L.,

We're glad we were able to surprise you even after all these years. When we came across Tara, we knew we had found someone very special. Enjoy the photo of her virginal pussy on page 7.

Kaci's Cunt

Dear Virgin Territory,

I really like Kaci's pussy and body from the Holiday '13 issue. She will never have to worry about her weight, and I hope she keeps her boobs just the size they are. My cock got so hard in the first photo of her pussy and asshole on page 41. Her twat looks so inviting and succulent, and her bunghole is certainly worthy of a rimming. Then I could almost smell and taste the sweetness of her pussy in the spread shot on page 42. Some may not like such graphic photos of a girl's genitals, but I do. It's nasty, raunchy and hot. This ain't no Playboy–we want to see as much as possible! I also enjoyed the close-up photo of Kaci fingering her cunt. Can't wait to see what a cock looks like up in her lovehole.–F.G., via email

There's no guessing what Kaci's pussy looks like in our magazine.

Dear F.G.,

We definitely don't shy away from graphic pussy photos. This is a porno mag after all! And you'll get to see Kaci in hardcore soon. If you can't wait, check out the DVDs Flat & Fucked 7 *and* Piped Pixies 2 *for her XXX scenes. You can order them on page nine.*

Naughty Natalie

Dear Virgin Territory,

I love your magazine and 18-year-old girls. I love Natalie from your Holiday '13 issue. When she gets those braces off she will still be the teen cutie she is now. But for her pictorial it's her clothes that are coming off–shirt, pants, bra, and she wasn't wearing panties. That's great; so we can get to that sweet pussy she has as well as the rest of her angelic teen body like her cute boobs and little ass. I'm glad her sex life is good. I'm sure with a young, sweet teen like Natalie guys line up to be with her. With this being the Holiday issue I want Natalie to know that she is on my good-at-being-naughty list! She is a teen babe.–J., Green Bay, Wisconsin

Dear J.,

You can look forward to a hardcore layout of Natalie soon. For now, enjoy this bonus photo of her! 18

Who could resist Natalie's metal smile and shaved twat?

Sammy is only 4'11" so you can imagine all the fun this guy has with this petite teen. He bounces her on his cock like a toy, spreads her legs far apart and holds her up in the air while drilling her. Alli puts those long, flexible legs to use. She props one up on a table while her boss fucks her from behind so he can get even deeper in her pussy. Her titties jiggle and filthy things come from her mouth. We're treated to even more tit-jiggling, pussy pounding action as she turns around on her back. In fact, her tits bounce and jiggle in every position. Maybe that's why she gets such a healthy load on her face at the end! Perky & Pink

Sammy is perky up top and pink down below.

Of course, we're talking about her tits and her pussy, respectively. Her small chest lends itself to her petite, slender frame. And being that she's an adorable, fresh teeny, it's no surprise that her cunny is a tight, glorious pink honeypot. Sammy is almost too sweet to be getting naked in front of a camera, but we're glad she decided to listen to the devil on her shoulder. "People would definitely be shocked to find out I did this. I'm not a girl you would expect to be in porn. I dress very casual. I don't party. I'm actually very shy when it comes to talking about sex. But I guess there's a little naughty bit inside of me that wanted to be wild."

Getting her to talk about her sex experiences was tough!

Sammy wasn't kidding when she said she's shy about sex. When we asked her about her kinkiest experience all she would do is giggle and cover her mouth with her hand. After her blushing subsided, we got a little bit out of her. "I don't know if this is exactly kinky, but one time I had sex with a guy in a car in a parking lot. It was late at night, and the windows got all fogged up. He was older, like 35. The cops even showed up, but just flashed their lights and told us to leave."

Sammy wants to know more about girls.

"One thing that got me interested in shooting was possibly being with a girl. I'm not very sexually experienced, so it would be a good way to have my first lezzie encounter. I love guys, but I'm curious about girls! And I think I'm too shy to make it happen in my personal life. I need a more experienced girl to show me the ropes. I've been bi-curious because I think that girls would be really good at going down on me. I guess I'll see what happens! Getting naked for the camera has already gotten me to be a little more open and comfortable with my body. Who knows what'll happen next!"

A notable romantic holiday during which many cherries are popped by eager guys worldwide, most of whom have chocolate and jewelry to thank for their successes. The "V" generally stands for Valentine's, but feel free to let your mind wander…

By Roman Lewis

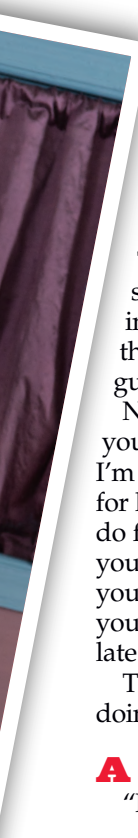
Ah, good ol' Valentine's Day: the undisputed Queen of Manufactured Holidays, a boon to retailers nationwide wherein mostly male chumps spend heaps of cash in the hope of getting their cocks sucked. I could go on–because it's totally true–but I'm not going to go full-blown Roman-as-Jackass on you this time.

Why?

There's actually a part of me that really digs Valentine's Day. And not just for the cock-sucking.

Honestly? It's nice, I think, for guys who don't pay attention in a real way for most of the year to get a reminder that it's kind of cool to do something special for the girl who does special things for them all the time. Think about it. Would you want to do the stuff your girlfriend does for you?

I'll give you a minute to think about that–try not to gag too hard–before I continue….



While I've gotten a few notes from men about the killer Valentine's Day plans their generous lady friends made good on over the years, far and away, the ladies–surprise, surprise–outdo the guys about 15 to one (at a minimum) with the letters they send in every year. They are wonderful mistresses of sweet torture, their letters describing the various and sundry filthy things they plan just to make their guys feel special.

Next year I hope to have a few of you make us look better. And while I'm at it, I stress that the more you do for her, the more she'll be willing to do for you. Think about it while you're reading these stories with your dick in your hand, and when you're done, go buy a box of chocolate or something.

These lucky bastards are obviously doing something right.

A First for Giselle

"My father and our next-door neighbor, Lenny, were friends for years, but they stepped it up after he and my stepmom divorced," Giselle told me in her letter. "Lenny worked nights. Dad worked days and after the split, he was very much a single dad. Lenny would sometimes bring my twin brother and me pizza if Dad was coming home late. He'd help us with math. He'd drive me to gymnastics or my brother to football."

Giselle was 18 when it all went down. It wasn't too long before her father got her and her twin a car to share, but by then Lenny had already sort of bonded with the family.

"With me more ways than one. I always thought he was cute. Manly. Not like a boy but someone we all could rely on. I liked the hair on the backs of his hands and the salt in his mostly pepper beard. I liked the way he wore jeans when he worked on the antique motorcycle in his garage. I liked the '70s and '80s era rock he played on the radio. I liked everything about him, really."

She also missed him quite a bit when she went away to college her first semester and was excited–in more ways than one–to see him over the holiday break.

"I was 19 by then. I had lived a little away from home. I was paying a few bills. It matured me some, and I think he noticed when I walked into his garage that first Saturday afternoon to say hi."

They spent quite a bit of time together over the break; with she and her brother gone at school he'd been having dinner with Giselle's father a lot. The two were older bachelors, good friends. Giselle was glad her dad had company. "Maybe even a little jealous that Dad got to spend so much time with him. One night when I'd come out of the shower, I walked past my window. I had on a robe, but my hair was wet and all, and I watched him working on that bike in the garage for a while. My hand found its way inside my robe, parting my lips, caressing the cherry of my clit and thinking about the cherry within. I was still a virgin. But I didn't want to give something that special to just anyone."

At that moment, she had the seduction mapped out in her head.

"I'd come back for Valentine's weekend, I reasoned." Her father had been dating a new woman and he was going to take her away for the weekend. "Lenny wasn't seeing anyone I was aware of, and to be honest, I felt like he was vibing on me the same way but too respectful of my father to ever dare make a move. It was going to have to be me or it would never happen."

She went back to school and bided her time, making plans, "and doing a lot of fantasizing while touching my girly parts thinking about how great it would be if he didn't say no."

He didn't.

The weekend came and Giselle prepped her house: candles, flower petals, Lenny's favorite scotch. "I didn't expect him to make love to his best friend's virgin daughter without one stiff drink," she told me, laughing, but it turned out he didn't need an ounce of persuasion or courage, just Giselle to make the first move.

"I called him to say I was home and did he want to share a pizza, so he came over. I don't even think he knew it was Valentine's Day–he was wearing grease monkey garage clothes, but I thought it was sexy."

On the contrary, Giselle wore a beautiful silk and lace nightgown in pure white that fell flawlessly over her curves and didn't at all conceal the hardness of her ripe nipples or the fact that she wore nothing beneath. Her caramel skin glowed in the candlelight. Her dark eyes shone with equal parts nerves and desire. Lenny stood in the archway to the living room, frozen at the obvious romantic setting and at the symbolic white gown.

He started to fumble out a few words, but she stopped him, approaching slowly as she spoke. She moved like a beautiful panther.

"Lenny, I want you. I want you. I have wanted you. I have thought about you. And I know what I'm doing. We don't even ever have to do this again if you don't want to. But I want you to have me in this way, to be my first…"

And she pressed her body against his and she could feel his cock rock hard beneath those dirty jeans, but she could feel him holding his breath. She whispered in his ear.

"I have touched my pussy over and over imagining you kissing it. Will you kiss my pussy, Lenny?"

He carried her to cushy-soft blankets she'd laid carefully by the fireplace, kissing the breath out of her, and lay her amid the pillows. Her black hair fanned out around her pretty face, her full lips. He kneeled beside her and with rough hands–a touch that sent her tingling–slid her gown up and buried his face in the natural black triangle of hair between her thighs.

She cooed and parted them, allowing him to kiss her mound, her lips, to spread them open and find her clit with his tongue and play, just as she had but softer, wetter, a sexy symphony on her virgin pussy, which oozed more goo with each firm lick or gentle tickle or deep, passionate tongue kiss on it.

"I came almost instantly," she said, "arching my back and in a word or two begging him to put his thing inside me. I didn't even see him undress, only marveled at the sexy-thick arcing penis suspended over my face. I smelled men's soap on his musky man balls and lifted my head to smell them, to take his cock in my mouth. I'd never done any of this, but with Lenny it came so naturally. I pulled him down and we kissed. I loved the way it felt to feel his hot prick burning against my skin."

She rolled on top and she positioned herself with the hot head of his man stick at the entrance to heaven, a place no man had ever been. She was more than ready after his tongue bath; her juices running down his shaft.

"He let me do all the work," she said, "and I carefully slid him inside me, moving at my own pace, letting the sensation fill me up until it hurt–just a little, and just for a split second–and then I began to ride him and ride him, guiding his hands up to my titties, loving how those man fingers felt as they pinched and rolled my nipples. I experimented with angles and speeds until I found a magic lean that hit my sweet spots, inside and out, and I ground him into the blankets, cumming again, and he finally spoke, letting me know he was going to do it, too, easing me off him just in time for me to watch his cum shoot and land on his belly and chest. It was a gusher. Mine was, too."

For Giselle, it was the ushering in of true womanhood and the fulfillment of a major fantasy. For Lenny, just the latter. "Turns out he had never been with a virgin before," she told me. "Neither of us want to stress out my father," she said, "so we left it as something incredibly sexy and special, with a possible repeat performance if it works out that way–but it was a Valentine's Day neither of us will ever forget."

We connected face-to-face for our interview, and I might add: she's an adorable little knockout, just the type you'd imagine in a saucy teacher or librarian fantasy.

Lauren's Love Notes

This lovely girl, now a college freshman, had a banner V-Day in her senior year of high school, a classic memory she says she'll probably think about for the rest of her life. It began simply enough: with poetry.

"I'm a literature major," she told me. "I hope to teach at the college level one day, to give the gift of reading and the classics to people who, just like me, have read since they were small children–but this story is not for them."

We connected face-to-face for our interview, and I might add: she's an adorable little knockout, just the type you'd imagine in a saucy teacher or librarian fantasy. She wasn't wearing a stitch of makeup and had her blonde hair pulled back in a quick and not particularly proficient pony tail. Wire-framed glasses balanced at the end of her cute, freckled button nose. She had on a loose-fitting T-shirt.

And of course, she blushed a lot during our conversation, which made me grateful that the woody I was sporting most of the time was safe and sound under my kitchen table.

"HEY, Roman…" she said, sounding more bubbly teen than worldly intellectual. Even so, I had a hard time keeping up with her vocabulary, and whoever this guy was who wooed her during senior year, he definitely had her number.

Lauren had been casually dating her long time study buddy for about a year when she started getting these clandestine notes.

"Charlie and I have known each other since we were kids," she told me. "Teacher's pets, spelling bee nerds, drama club weirdos," she explained. "He's super cute with black thick-rimmed glasses. I totally helped him pick them out at the mall."

That said, Charlie was a known entity around school. Despite his academic acheivements, which would be considered nerdy by some, he was popular with the ladies.

"I was a virgin at the time," she told me. "Charlie was super good-looking, but I'd known him since pre-K! And being a good girl, it's almost cliché, but I had a thing for

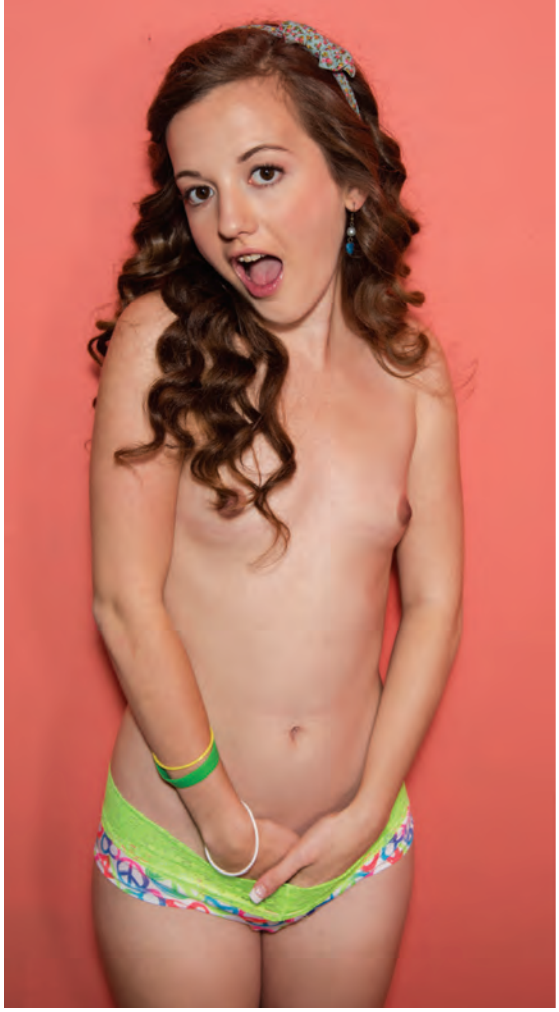
Marissa
Tiny Teenie



Watch out for Marissa!

She may look sweet and unassuming, but she's coming for your cock! "I basically want to have as much sex as I can," Marissa told us. "Now that I'm 18, nothing can stop me! I've always been super horny, and I'm dying to let my inner slut out. I'm tired of masturbating all the time. I mean, it feels great. But I'm ready to get fucked hard by some big ol' dicks! I've had sex before, but it was kind of disappointing. The guys didn't know how to work it or how to make me cum. You need to hook me up with some guys who know what they're doing!" And that we did, but you'll see more of that later on.

Marissa shaved just for us!

"I shaved my pussy for the first time ever just last night! Before that I had a big bush that was just too crazy. I knew that most girls shaved, but it was never too important for me to be bald down there. But since I was gonna be photographed I wanted to be nice and smooth. I have to say, being bald is so much better! Now I know why all the girls I'd see naked in the locker room would shave their pussies. It's so soft and your lips and clit feel much more sensitive without all that hair in the way. It must be nicer for the guy when he goes down on you too. If shaving will get more guys to eat me out, then I'm all about it!"

Have you ever cum from having sex?

"Um, maybe? I'm not sure. I've talked about it with my friends, and they said if I came I would know it. So if I did cum it was nothing like how I cum when I masturbate. It would've been a weak cum. Which is why I really need to get fucked by someone good! I'd get so jealous at school overhearing other girls talk about getting fucked hard and having multiple orgasms. I was like, 'Ugh, why can't I have that?' The first time I had sex I was so hyped, but it turned out to be super blah. The guy came in like two minutes, and then he fell asleep! From what I hear, older guys are better for lasting longer. This guy was my age and wasn't too experienced. Then I had sex with another guy and it was okay, but nothing special. He ate me out for a long time which got me nice and wet, but his thingie was kind of small. I want to know what it's like to have a big fat cock filling you up. And I really want to know what it's like to cum with a cock inside of me!"

Stacy

Cutie in Coochie Cutters

Stacy, what is up with those tiny shorts? They barely cover anything!

"These are the shorts I wear when I want to be slutty for a special guy or when I'm just lounging around the house. I wouldn't go out in public wearing them. I like the way my buttcheeks hang out of the back, and I really like the way the inseam rubs on my clit when I walk. They keep me horny the whole time I have them on. That's why they kind of smell like pussy."

Do they make you want to play with your pussy?

"Yes. All the stimulation from my shorts riding up my pussy and ass crack makes me want to rub one out. Then again, I always want to rub one out no matter what. But these shorts make the desire a little bit stronger than usual."

Tell us the truth; do you ever sniff the shorts?

"I don't do it all the time, but I have before. All girls smell their juices, even if it's just out of curiosity. I used to smell and lick my fingers after sticking them in my pussy. Then I started sniffing my panties and shorts. With my little coochie cutters, I don't wash them until they smell really strong of my pussy juices. I let them get nice and dirty so they smell really ripe. If you're within like four or five feet of me you can smell them too. Some people might think that's gross, but it turns me on a whole lot."

There's nothing like being home alone.

When Charli gets home from school she has the luxury of enjoying an empty house while her parents are still at work. So what does she do? Get naked, prance around the house and have lots of loud orgasms, of course. Wouldn't you?

Charli has her priorities straight.

"Some girls might do their homework when they get home from school, but my favorite thing to do is get naked and masturbate! After being around hot guys all day I want to get home and stuff my fingers up my cunny! Plus, my parents don't get home till later so I have plenty of time to walk around naked, which is my favorite thing. I even masturbate or walk around naked with the curtains open."

V DAY

Continued from page 28

this other kid in our class–sort of Goth and loner-ish. He played a few instruments. He was a good writer. His name was Eric."

And when she got her first note, written longhand on parchment-style paper, her heart sang that it had been Eric who wrote it.

"My pussy sang, too," she wrote in her letter, which belied the shy girl with long, luscious descriptions of the heat and wetness of the tender rosebud betwixt her thighs and how, in reading the verse, she'd "spend long, lithe minutes in the school library's dark, private computer suites, massaging the dewy petals of my sex while reading, re-reading, imagining his long fingers finding their way up inside my virgin womanhood, deflowering the flower, tasting my wet on them, then letting me kiss him and taste if for myself…."

The notes, which began arriving before the December break, amped up once school was back in session. "He was quoting passages from classic erotica along with loads of original thoughts he'd had about me and 'my developing body.' He wrote in detail about watching me go from girl to woman, how excited it made him knowing I was ripe for the picking. He even sent a special poem on my birthday about turning 18 and how we'd come to know one another–as man and woman–on Valentine's Day, if that was my wish."

It was.

They met in the small room atop the bleacher stands by the football field. During games, the announcers sat here, calling plays, introducing the cheerleaders or the coming of the halftime food trucks. Tonight the bare wooden walls were cast in candlelight, the small sofa draped with chenille to mask its second-hand plaid cushions. Rose petals were sprinkled around the floor.

"My insides were shaking, my palms sweaty, and then in he came, a Venetian mask covering three quarters of his face. His jacket, also purple velvet was properly steampunk. Wordlessly, he swept in and kissed me, taking my breath away, lowering my weak-kneed body to the floor…."

Linda
Toy Girl

Whatcha got there, Linda?

"You know what it is. It's a dildo! And it's going to go in my pussy. I chose this one at the sex store because it's nice and long and it's my favorite color. I've had a lot of fun with this one."

Is this your only toy or do you have a collection of dildos?

"I have all kinds of dildos and vibrators. I like to have many options to choose from depending on the mood I am in. Today, I felt like having something deep in my pussy. So that's why I chose Mr. Purple here. Sometimes I prefer to feel a vibrator on my clit. But no matter which toy I use I always orgasm and squirt all over my sheets. It can get quite messy."

Do you watch yourself masturbate?

"Yes. I like to see the dildo going in and out of my pussy. I like to see my juices collect on it and build up all around my hole. It makes me even more turned on to see that. Sometimes I even set up a video camera to record me while I masturbate so I can watch it later. I will send the videos to guys on the Internet, and then they will send me a webcam video of them jacking off to my video. Then I masturbate to them masturbating to me. It's one big cycle!"

BRAT CHAT

BRA SIZE: 34B **BORN:** Sept. 30
LIVES: Kiev, Ukraine

Have you ever shaved your pussy bald?

Via Russian translator: "Yes, but I didn't like it. I prefer to have a little hair there. Men, especially the older ones, like when women have pubic hair. At least in the Ukraine they do. I like mature men so I will keep my hair down there for them."

So we take it you're not a virgin. Have you slept with many men?

"I have had sex with three men. Two of them were over the age of 40. They wanted to take care of me, and I enjoyed that. They were very giving and put my pleasure before their own. They knew how to give me great orgasms. However I am too young to settle down. I would like to travel and go to university and date all different kinds of men. My mother thinks I should get married young like her, but I think I would rather have fun first! There is so much more for me to experience sexually."

V DAY

Continued from page 60

He kissed down her body, lifting the mauve lace of her skirts to find rosy lace panties. He kissed her sparse blonde muffin through the wisp of a garment, easing her porcelain thighs apart, kissing, breathing, licking. "I was moaning," she confessed. "No boy had ever touched me there, let alone kissed. It seemed, as he eased them down, as though he must have had a thousand women on which to practice, the way his mouth merged with my cunny, devouring and sucking and kissing and teasing from me the very first climax not delivered by my own hands."

Embarrassed by her wetness, she closed her legs. He eased them open again, making fantasy reality as he kissed her, allowing her to taste her own delicate sweetness from his tongue. She undid his pants and his erection sprang free, she eased him back on the sofa and went to her knees, her eyes holding his gaze ("I wanted to be sexy and wanton," she said.) as she licked and sucked his veiny pole, luxuriating in the process, relishing each pearly drop that reappeared at the tip as fast as her tongue could clear them away.

Her man, however, was a fan of knocking on the old back door and slowly began working a little ass play into their repertoire.

"I climbed up in his lap and straddled him, easing him inside my tight cunny, feeling a little guilty–maybe this should have been Charlie's moment…." But it was Eric whose skill and passion and words had given her the foreplay necessary to make it happen–and as she impaled herself on his delicious prick, she pulled the mask from his face so she could look at it.

She paused, shocked, but only for a moment. It was Charlie!

"For the life of me I do NOT know how I held it together long enough to fuck his brains out," she said, laughing hysterically. "It just worked. Only a creative goofball like me could imagine a whole relationship with a guy I didn't even know. Of COURSE Charlie would know what I liked, what I'd want, what would excite me. I was too caught up in the fantasy to see things clearly."

She rode his cock and his face and back again. All night long. And pretty much every night since then.

"The other perk about being a good girl who dates a good boy your parents have known since he was three is that they trust you both. More than they should!"

The perky 22-year-old came hopping into the diner where we met with the exuberant energy of a JV cheerleader. Fresh out of the gym with the messy ringlets of a cute short haircut peeking out from the confines of an L.A. Clippers ball cap, her flanks had just the right amount of bounce, which made the story I knew she was about to tell that much more intriguing.

She and her pale blue velour pants slid into the seat across from me in the booth. She smiled, extended a delicate hand and looked me dead in the eye.

"Hey there. I'm Bethany," she said, making sure to keep her high-pitched voice low (it was a family kind of place). "And I'm no longer a butt virgin."

We laughed and I filed that opener in the ice-breaker record books.

Bethany is a one-man woman and she's been seeing the same guy for three years. She still had that delicious "-teen" at the end of her age back then, something her 44-year-old beau likely enjoyed when she agreed to their first date.

"I wasn't a virgin then," Bethany wrote in her email, "but I wasn't exactly Miss Experience, either. And I'd definitely never had any sort of major action BACK THERE. I never even considered it before him."

Her man, however, was a fan of knocking on the old back door and slowly began working a little ass play into their repertoire.

"But," she told me as I sipped my coffee and she her tea, "as much as I came to enjoy the touching and kissing and licking back there, my bum was an exit-only operation. The truth is that I was in denial. I will admit here face-to-face that all that salad-tossing got my pussy at least twice as wet as regular oral and made me cum three times as hard. But I just had this mental blockage about doing anal."

It didn't keep her beau from occasionally revisiting the idea, but she was firm on the "no entry" policy, and of course, he respected his lady's wishes. What he didn't know, though, was that she was actually softening a little on the issue.

"It was a combination of wanting to please him and my own curiosity," she told me. "We have amazing sex. We always have. I trust him completely, and I've done such delicious, dirty things with him that I never imagined I'd do–talking nasty, lots of near-miss public sex on vacation. One time we even hooked up with another girl. Licking pussy was a new thing for me, but what I really loved was him watching us. He sat there in a chair near the bed, stroking his big cock slowly while she and I played a bit on the bed. It was a total turn on…."

In any case, it was her man's big cock that was standing in the way of her new-found interest in a good pipe-snaking.

"He's big," she said. "And thick, which may be even scarier." She looked around to make sure no one was listening and giggled. "I'd been thinking about maybe giving into him for a while, and then Christmas came and he got me this gorgeous bracelet and took me up to wine country for a long weekend. And I thought, well, maybe I can make this work for him by Valentine's Day."

Loreen
Blue-Eyed
Beauty

Welcome back, Loreen. Have you had any fun sex experiences?

"Always! Most recently I had my first one night stand. It was with this sexy older man that I met at the grocery store. He saw all the veggies I had in my cart and asked if I was a vegeterian. I am, and it turns out he is one, too. We started talking, and before I know it we're in the back seat of his SUV and he's eating my pussy. I couldn't believe it."

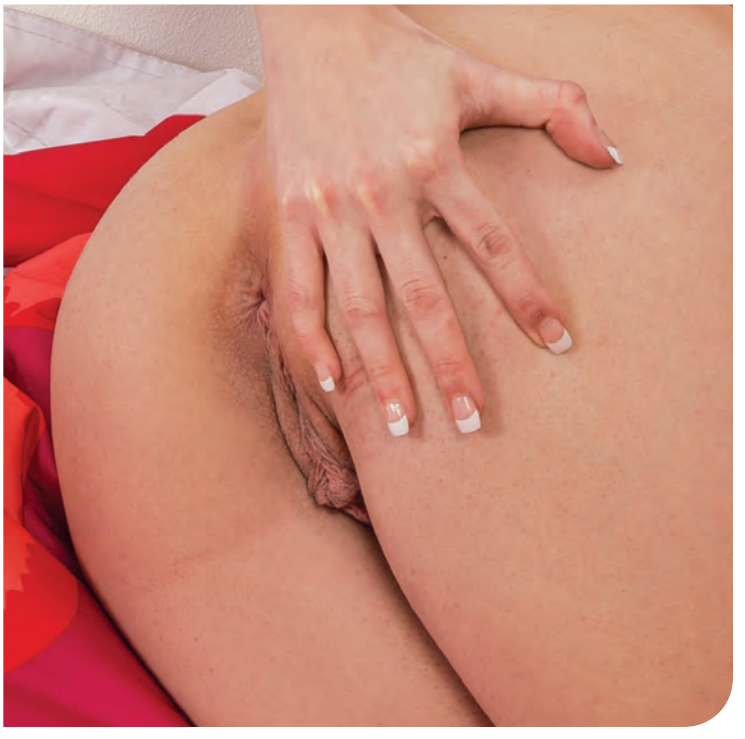
Did you guys end up fucking in the car?

"Yes. He wanted to go to his place, but I was too horny to wait. The way he sucked and tugged on my pussy lips turned me on so much. I begged him to fuck my pussy right there. I wouldn't take no for an answer. So he fucked me silly."

HEIGHT: 5'0" **WEIGHT:** 102 lbs.
BRA SIZE: 34B **BORN:** March 31
LIVES: Madison, Wisconsin

Did you have an orgasm?

"Did I ever! Actually, I had like, three. It was hard to keep count because I was practically delirious from all the sex. His cock was so big and beautiful. And not only that, he really knew how to use it. Older men are awesome! I got super wet, and I kind of felt bad because I totally soaked his back seat. But he assured me not to worry and that it was worth it. Afterwards I never saw him again."



Continued from page 76

girlfriend who was wise in the ways of butt sex, she bought herself an ample flexible vibrator and began what she called "a vigorous nightly work out" wherein she'd watch vintage porn and spend a good, long time playing with herself.

"I'd get myself good and wet," she told me. I fought the urge to adjust myself under the table. "I'd cum at least once. Maybe twice. Make sure my cunny syrup was running so thick that it wet my bumhole. I'd rub the head of the vibe on my clit and began with putting my own fingers inside. Eventually, I worked up to doing it the other way around."

On Valentine's Day, after a nice dinner, she brought the lucky bastard back to her place. "On the car ride home, I told him a little bit about what I'd been up to. Not everything, but enough that he was very intrigued. When we got home, I positioned myself on the bed, just as I had been doing for the past couple of months."

Lying with her head comfortably on some pillows–and one nice one under her cute, little rump–she bent her legs and spread them. Wide. She was totally naked. He was totally dressed. Before long, his cock would be out and he'd be stroking it, waiting to be invited to play.

"He sat on the chair in the corner of my bedroom, watching me from the shadows while a movie played on-screen in the background and I could see his face flickering in the light of the TV. It brought me back to that Vegas hotel room, him watching, all voyeuristic, and it was a total rebirth of the fantasy. I was double-wet even before I started the show."

She began by pretending he wasn't there, watching the porn–two girls touching, kissing, their tongues invading one another's richly robed '70s snatches–and began touching herself. He could see all her parts getting wetter, the folds flexing as she got herself good and turned on, her finger dipping gently into her honeyed hole, then bringing it up to circle the swollen hard-candy button of her clit. Before long, she had the ample silicone head of the dong wedged into her drum-tight ass.

"He stood up at that point and

somewhere along the way he'd gotten out of his clothes. I hadn't noticed."

His thick weapon, heavy and hard, swung down with its weight, pointing at the floor despite the rigid erection. No wonder she'd been nervous to take it in her small, delicate rear.

"I wasn't that night, though," she purred at me. "I was ready. And when he started working the vibe–not really deeper, just playing with it–and licking around the outside, it felt like heaven. All these weeks I didn't have that extra oomph that his tongue added. He began pushing it deeper and lapped at my pussy and I started to cum instantly! At the same time he began to pull the dong out, and that little stretch as it popped out of my tush made me scream. I mean I really screamed. It was the most powerful orgasm ever."

Boyfriend's cock, however, was still waiting for its turn. Lucky for him (and he knew this) nothing makes Bethany more ready to fuck and suck a dick than getting her rocks off.

"He was kneeling on the bed and I turned around on all fours and took him into my mouth, deeper probably than I'd ever done because I was so excited. He leaned over, gently working a finger into my ass while sliding another into my wet, convulsing pussy. I moaned with his cock deep in my throat and he pulled me closer, his fingers pressing deeper and deeper into both my bum and cunny, his cock filling my face. At that point, I thought, holy cow, I'm a three input! I almost slid him out to make a joke about it, but he pulled me tight against him again and I could feel his balls clench. He was going to cum. He wasn't letting up or letting me go, and I could feel both his fingers deep inside me, just a tender wall of me separating the two, and I started to shake and cum."

That set off a chain reaction.

"When his cream began to pump down my throat I could feel his thick finger in my ass to the hilt, as far as it would go and he began–again–to slide it out. I came and came and shook and moaned against his balls. Afterward, we were both spent and hit the pillow, sighing."

It wasn't his cock, but it opened the (back) door, quite literally, for an expansion of their sex life.

"It was the best Valentine's Day ever," she said. 18

Lila just can't get enough dick.

We're lucky if a teen girl will take a finger up her butt, let alone a dick. But Lila went above and beyond, getting her starfish stretched to maximum capacity by a fat prick. How did Lila develop such an affinity for backdoor banging? She tells us in her own words: "Even before I had sex I'd always play with my ass when I masturbated–putting fingers and toys up it. It always felt good, so I never had a fear of anal. I was always very open about my body. Once I started having sex it wasn't long before I was begging guys to fuck my ass."

Why did you do it on-camera?

"I decided I wanted to do porn 'cause I'm really horny, and I wanted to be able to experiment in a safe setting. Also I really get off on the idea of guys jacking off to me. I'm an exhibitionist."

You really put on a show here!

"I wouldn't call it a show. When I was moaning and begging for more, that wasn't acting! That was the real deal." Indeed, in this scene it's obvious that Lila is enjoying having her body ravished. After getting her pussy fucked, she's so turned on that the transition from ass to pussy is almost seamless. "It was so intense. I mean, look at his cock. It's huge! Imagine how it felt in my asshole!"
